

Drone policy

Landowner or person with legal control of the property must sign a District Permission Form.

\$100 deposit will be collected prior to flight (Introductory pricing rates, may be adjusted as needed)

Rate is \$100/hour flight time (Introductory pricing rates, may be adjusted as needed)

Minimum charge is \$100

Any incurred expenses will be added to the total (travel, special licensing, special equipment, etc), agreed and paid in advance

\$25/hour media processing fee, first hour free (Introductory pricing rates, may be adjusted as needed)

The District will retain copies and reserves the right to use any and all media produced. A watermark may be included on all electronic media

*Assessable hazardous flight fee, \$0-\$100/hour additional charges based on staff estimates.

Media may be delivered in the form of a media disc, USB drive, or online dropbox.

Flights will be scheduled tentatively, subject to weather and/or legal conflicts.

We will serve the public with the following prioritization:

1. Conservation related projects
2. Farmers and landowners engaged in non-conservation related activities
3. Colleges, schools, and other government entities
4. Businesses
5. The general public

We reserve the right to refuse service, particularly where legal or ethical conflicts may exist.
